And although I haven't been designing for a long time, I still have a couple of design ideas that I want to bring to life. Just so you know, this is a very hard to design and very difficult to design site, and if you decide to try something like this, you run a very high risk that you won't be able to do the job on your own. Therefore, if you just decide to try your hand at this business, then it is better for you to hire a designer who, for a fee, will do all the work for you.
