### What's New In American Gangster?

"American Gangster" is a 2007 biographical crime film directed by Ridley Scott and starring Denzel Washington, Russell Crowe and Mark Wahlberg. The film is based on the life of Frank Lucas, a member of a crime family based in Harlem, who became a major importer of heroin in the late 1960s and early 1970s and became a major distributor for the Daley family's South Side Chicago, Illinois, while engaging in a bloody rivalry with the rival Bloods gang. The film also chronicles the rise of the younger brother of the Daley family crime lord in their continuing war against the Bloods, James "Jimmy" Bulger. The Daley brothers, Richard and James "Whitey" Bulger, were acquitted in 2011 on 11 federal racketeering charges, which also included money laundering and drug trafficking, after their longest-running criminal trial to that point. Both men were accused of being involved in the Winter Hill Gang, a Massachusetts crime group that operated in the 1970s and 1980s and was later led by their brother, John "The Irishman" Connolly. Set in the 1970s and early 1980s, the film depicts the rise of the notorious Mafia in America. In

the film, Frank Lucas is portrayed as the leader of a major heroin importing operation into America. As his empire expands, he battles with rival drug lord Tony "Lufthansa" Ammond, while waging a war against the rival South Side crime family led by Frank Serpico and his brother, Dominick. The film explores the difficult legal and social issues surrounding marijuana and how the political environment affects the relationship between these two rival criminal gangs.
